Dear Hon. (MP's name),

My name is (insert name here) and I am a constituent in your district at (insert postal code). I am writing this letter because (state reason here). The news on Friday, May 28, 2021, of the 215 children's bodies that were recovered at the former Kamloops Residential School has shaken our country and we must do better.

I am strongly encouraging you to take action on (your concern here) in collaboration with Indigenous communities. (State why action is important).

This action is a part of Truth and Reconciliation's 94 Calls to Action, that the Government of Canada committed to in 2015. (Find the [Call to Action](#) you are referencing and add it here). It is only after we accept the truth and acknowledge it by taking action that meaningful reconciliation can begin.

Thank you for taking the time to listen to my concerns, and I look forward to receiving a response from you on this matter.

Sincerely,

(Your name)
