

**Subject:** How is your party taking action on Indigenous issues?

Dear (candidate's name),

My name is (insert name here) and I am a voter in your district at (insert postal code). I am writing this letter because (state reason here). The multiple recoveries of Indigenous children's bodies at former residential school sites has shaken our country and we must do better.

If elected, what does your party plan to do to take action on (your concern here) in collaboration with Indigenous Peoples. (State why action is important).

To date, [only 13 of the Truth and Reconciliation's 94 Calls to Action, that the Government of Canada](#) committed to in 2015, have been implemented. It is only after we accept the truth and acknowledge it by taking action that meaningful reconciliation can begin.

Thank you for taking the time to listen to my concerns, and I look forward to receiving a response from you on this matter.

Sincerely,
